Hogar
Spanish

noun
Home

It's where you make memories, let your aspirations flourish and welcome new beginnings. The place in which you dream your best dreams and nurture the variations that evolve into your personality. Clearly, there is much to be said about your home—and what it means to you. But we'll say only this:

A home is an experience.

Hogar exists because we believe in a unique home experience—one that is beyond the everyday tasks at home and improves your routines to a more sophisticated affair that is as fine-tuned as your individuality.

Whether it's our flagship all-in-one speaker and smart hub Milo, or our range of SmartTouch panels, each Hogar product represents a shift in lifestyle technology which brings you closer to experiencing the best kind of home—the #SmartHome. Our smart home solutions combine cutting-edge technology and design thinking to deliver a range of products that are innovative, intuitive and stylish. Hogar offerings are designed as plug-and-play solutions that neither pressurize nor overpower and can fit the needs of your home like a glove.

So, sit back and relax as we do the work, so you can truly experience a smart home.

WHY CHOOSE HOGAR ?

We combine the essence and intrinsic features of an intelligent home and help you experience a brilliant life filled with joy and safety.

Be Aware, Anywhere

All-time safety is in your hands. Receive alerts if something is up and take complete charge of your home anytime, check the status, access and control remotely with the mobile App.

A One-Stop-Solution

Not just the security, comfort and fun, Hogar has an exclusive collection of products for monitoring and controlling almost every device remotely.

Stylish and Economic Products

Sleek Design that works in harmony with any home interior or exterior and quite affordable based on your space, needs, and usage.

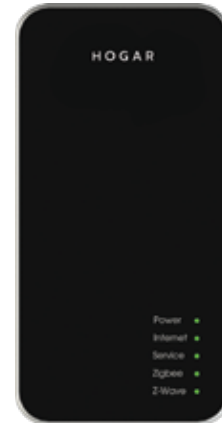

Z-Wave Affiliated

As a Global leader in Smart Home Automation Product Design & Manufacturing, Hogar uses Z-Wave which is best in the automation industry with advanced features, highest security, and compatibility.

Modular and Scalable

Our products are designed for centralized solutions – connect and control with a command or app. They are also capable of upgrading easily according to evolving technology.

SmartHub Pro

Product Code: HC-02-VV-IN
Specification: Home controller with Z-Wave, ZigBee and Wi-Fi

SmartHub Mini

Product Code: HC-03-VV-IN
Specification: Mini Home Controller compatible with Z-Wave, and WiFi control up to 60 devices.

Pebble

Product Code: HC-TB-ZW-IN
Specification: Wireless 3D-touch button, 10-scene control functionality

Single-touch Panel

Product Code: HTP-1S0-XXX-IN
Specification: 1-touch Panel, relay or scene controller with load current of max 8A, IN standard 2 module gang box-compatible

Metallic bezel:
Glass Panel:

Single-touch Panel – High Power

Product Code: HTP-1SH-XXX-IN
Specification: 1-touch Panel, relay or scene controller with load current of max 16A, IN standard 2 module gang box-compatible

Metallic bezel:
Glass Panel:

SmartTouch Dimmer

Product Code: HTP-1SD-XXX-IN
Specification: 1-touch dimmer, compatible with incandescent bulbs and dimmable LEDs up to 230V AC, IN standard 2 module gang box-compatible

Metallic bezel:
Glass Panel:

Two-touch Panel

Product Code: HTP-2S0-XXX-IN
Specification: 2-touch switch, relay or scene controller with load current max 8A each, IN standard 2 module gang box-compatible

Metallic bezel:
Glass Panel:

Three-touch Panel

Product Code: HTP-3S0-XXX-IN
Specification: 3-touch switch, relay or scene controller with load current max 8A each, IN standard 2 module gang box-compatible

Metallic bezel:
Glass Panel:

Four-touch Panel

Product Code: HTP-4S0-XXX-IN
Specification: 4-touch switch, relay or scene controller with load current max 8A each, IN standard 2 module gang box-compatible

Metallic bezel:
Glass Panel:

Four-touch Panel with 1 Socket

Product Code: HTP-4S1-XXX-IN
Specification: 4-touch switch with 1 socket slot, relay or scene controller with load current max 8A each, IN standard 4 module gang box-compatible

Metallic bezel:
Glass Panel:

Eight-touch Panel

Product Code: HTP-8S0-XXX-IN
Specification: 8-touch switch, relay or scene controller with load current max 8A each, IN standard 6 module gang box-compatible

Metallic bezel:
Glass Panel:

Ten-touch Panel

Product Code: HTP-10S0-XXX-IN
Specification: 10-touch switch, relay or scene controller with load current max 8A each, IN standard 6 module gang box-compatible

Metallic bezel:
Glass Panel:

Ten-touch Panel with 1 Socket

Product Code: HTP-10S1-XXX-IN
Specification: 10-touch switch with 1 socket slot, relay or scene controller with load current max 8A each, IN standard 8 module gang box-compatible

Metallic bezel:
Glass Panel:

Ten-touch Panel with 2 Socket

Product Code: HTP-10S2-XXX-IN
Specification: 10-touch switch with 2 socket slots, relay or scene controller with load current max 8A each, IN standard 12 module gang box-compatible

Metallic bezel:
Glass Panel:

Single socket with manual switch

Product Code: HTP-SMS-XXX-IN
Specification: Single socket panel with mechanical switch, IN standard 2 module gang box compatible.

Metallic bezel:
Glass Panel:

Single socket with switch panel

Product Code: HTP-SWS-XXX-IN
Specification: equipped with a touch switch for an extra power source and effortless operation, compatible with IN Standard 2 module gang box

Metallic bezel:
Glass Panel:

Dual socket with switch panel

Product Code: HTP-DWS-XXX-IN
Specification: Equipped with two sockets and two touch switches for extra plug-in power source and effortless operation, compatible with IN Standard 4 module gang box.

Metallic bezel:
Glass Panel:

Prima +

Product Code: ASM-HTP-611-XXX-IN
Specification: 6-touch switch, relay or scene controller with load current max 8A each, IN standard 6 module gang box-compatible

Metallic bezel:
Glass Panel:

Insert Module for Fan Dimming

Product Code: HC-IM-FD-IN
Specification: 1-channel fan speed control insert module with load current max 8A, compatible with standard ceiling and wall-mounted fans

Insert Module for RGB Lighting

Product Code: HC-IM-RGB-IN
Specification: 4-channel RGBW insert module compatible with RGBW or RGB strip lights. Each channel output 35W @ 12V DC power

3-in-1 Insert Module

Product Code: HC-IM-3I-IN
Specification: Either operates as dual switch on/off / dual dimmer / Roller shades based on selection

Hogar Video Doorbell

Product Code: HC-SEC-VDP-VV-IN
Specification: Wide-angle HD video camera with two-way audio, push-to-talk, record and door-unlock features

Hogar SensorCam

Product Code: HC-SEC-SC-IN
Specification: Wireless, compact, discreet, dual power-mode for anywhere security

Hogar Add Ons

Two-pin, Three-pin and TV Socket Modules

Product Code: ASM-HC-SOC-3P-X,
ASM-HC-SOC-2P-X, ASM-HC-SOC-TVP-X
Specification: Standard 2-pin,
3-pin and TV socket

Colours:  

USB, HDMI Socket Module

Product Code: ASM-HC-SOC-USB-X,
ASM-HC-SOC-HDMI-X
Specification: USB DC 5V 2.1A

Colours:  

Socket Module Closure

Product Code: ASM-HC-SOC-SMC-X
Specification: Socket closer/
blank switch/dummy switch

Colours:  

MuSync

Product Code: HC-MA-WI-IN
Specification: Wireless multi room
audio amplifier with stereo output,
Speaker output in watts/channel

Socket Module RJ11, RJ45

Product Code: ASM-HC-SOC-RJ11-X,
ASM-HC-SOC-RJ45-X

Specification: Modular connectors for plugging
a telephone into the wall outlet. Fit into socket
supported touch panels, work as Ethernet network.

Hogar Gas Sensor

Product Code: HC-GS-ZW-IN
Specification: Gas sensor with inbuilt siren,
220V AC powered.

Hogar Smoke Sensor

Product Code: HC-SM-ZW-IN
Specification: Wireless smoke sensor

Air-Adapt

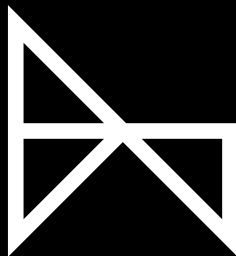

Product Code: HC-VRV-ZW-IN
Specification: VRV AC controller with ZigBee & Wi-Fi

IR 360°

Product Code: HC-IRC-IN
Specification: 360° IR blaster with IR learning feature
